Detailed Procedures for 8(a) Directed Award

Step 1 - Complete a 8(a) Offer Letter (sample letter format attached) requesting approval to issue a sole source contract to Electrosoft Services, Inc. to support a targeted scope of work.

- Prepare the Statement of Work (SOW) for the work to be completed.

Step 2 – E-mail 8(a) Offer Letter to dcofferletters@sba.gov.

- Include contact person’s name, telephone, email address.
- Include the Statement of Work (SOW).

Step 3 – It usually takes no more than a few days for SBA to approve the request.

- SBA will then send the requesting agency an approval letter. The approval letter(s) simply states that the requesting agency and Electrosoft Services, Inc. are now allowed to enter into contract negotiations.

Step 4 – The government agency and Electrosoft enter into contract negotiations.

- The government agency requests a quote from Electrosoft
- If the quote is acceptable, the government agency submits a purchase order to Electrosoft for the work to be performed

Step 5 - Once negotiations are complete and the contract is executed, a copy of the contract along with the SBA approval letter needs to be sent to the SBA representative.
